! If anything is missing, contact boAt support: support.boat-lifestyle.com

Section 3: Safety & Handling

1. Usage Guidelines

- ✓ Avoid high volume for extended periods.
- ✓ Do not expose to water unless IP-rated.
- ✓ Remove from ears when not in use.

2. Charging Safety (Wireless Models)

- ✓ Use the included cable only.
- ✓ Do not charge near water or heat.
- ✓ Fully charge before first use.

3. Storage Tips

- ✓ Keep away from moisture and dust.
- ✓ Store in the case (if provided).
- ✓ Don't twist or pull cables forcefully.

4. Cleaning Advice

- ✓ Use a dry cloth to clean earbuds/headband.
- ✓ Remove ear tips and clean them separately.

Section 4: Getting Started

4.1 Pairing (Wireless Models)

1. Long press the power button to turn on. LED will flash blue/red.
2. Enable Bluetooth on your device.
3. Select your boAt headset model from the Bluetooth list.
4. Connected! The LED will stay solid blue.

 Tip: Your headset will auto-connect to the last paired device.

4.2 Charging

- Plug the charging cable into the headset port and a USB power source.
- LED Indicator: Red (charging), Blue (fully charged)
- Charge time: Approx. 1.5 to 2 hours

4.3 Wired Use (for AUX models)

- Plug the 3.5mm jack into your device.
- Use the in-line mic and remote to control calls/music.

Section 5: Controls & Features

Multi-function Button (MFB):

- Play/Pause: Single press
- Answer/End Call: Single press
- Reject Call: Long press

Volume + / -

- Press to increase/decrease volume
- Long press to skip to next/previous track

Voice Assistant (Wireless Only)

- Double press MFB to activate Google Assistant or Siri

 Built-in mic allows hands-free calling.

Section 6: Troubleshooting Guide

Common Issues & Solutions

- **No Sound:**
 - ✓ Ensure the headset is powered on and properly connected
 - ✓ Try raising volume from the phone and headset
 -  **Fix:** Unpair and re-pair the device; reboot your phone; test on another device
- **Not Pairing:**
 - ✓ Long press power button until LED flashes
 - ✓ Remove previous pairing from phone and retry
 -  **Fix:** Reset Bluetooth settings on your device and try again
- **Charging Issues:**
 - ✓ Try a different cable and adapter
 - ✓ Clean the charging port gently
 -  **Fix:** Leave the headset on charge for 30 minutes, then attempt power-on
- **One Side Not Working (Wired):**
 - ✓ Check jack connection; try different phone

✓ Gently wiggle cable to detect loose wiring

🔧 **Fix:** Clean the 3.5mm jack with a soft brush; test with a different audio source

- **Muffled or Distorted Audio:**

✓ Check for earwax or debris in earbuds

✓ Try another audio file or app

🔧 **Fix:** Remove ear tips, clean mesh gently with a dry toothbrush

💡 **Tip:** To reset most wireless headsets, hold the MFB for 10–15 seconds until LED blinks rapidly or powers off.

Section 7: Product Specs (Sample - Vary by Model)

- Bluetooth Version: 5.0
 - Battery Capacity: 180mAh (up to 8 hrs playtime)
 - Charging Time: 1.5–2 hrs
 - Driver Size: 10mm / 40mm (varies)
 - IP Rating: IPX4/IPX5 (sweat & splash resistant)
-

Section 8: Warranty & Support

- **Warranty:** 1 year from date of purchase
- Covers manufacturing defects only (not water/physical damage)
